You open up the door with negative aura
You say future is murky indeed...
I'm sick of hearing your gripe,

Open up the door with negative aura
If you never change
I think there is no way my life fizzle out

You open up the door with negative aura
(I'm fed up fed up fed up)
You say future is murky indeed...
I'm sick of hearing your gripe,

Open up the door with negative aura
(I can't keep up with you)
There is no way my life fizzle out

If you are at a loss as to what to do.
Raise you stiff middle finger.
It will know which way the wind blows.

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Go against headwind or ride on the talewind.
Game is in your hands.
How do you play?
Follow your brainstorm!

How long will you go on lying?
Get wise tie yourself down
How long will you go on lying?
Breakdown a stick tight empty smile mask!

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief

Don't chain down your affection
Awaken primal feeling
Don't benumb emotion
Sing out primal scream
Let loose every feeling from joy to grief
