Follow me

Baby, I won't let you leave if you believe in me
And I always set you free from all those yesteryears
But you don't know how much,
I got believe in you.

I was staring at your sholder shivering
In such a coldest summer breeze
Meanwhile, I wonder why where here
Look for the line between love and friends
We'll be twisting ourselves again.

I was standing at the corner on the street
Watching the wheels turning free
Waiting to get back on my feet
Reading the line between night and day
I'll be twisting myself again

Follow me

Baby, I won't let you leave if you believe in me
And I always set you free from all those yesteryears
But you don't know how much

Follow me

Baby I won't let you leave if you believe in me
And I always set you free from all those yesteryears
But you don't know how much
I got believe in you

But you don't know how much
I got believe in you

But you don't know how much
I got belive in you.
