Everyday
I see your face
Everyday...

Everytime
I hear your name
Everytime...

Everyday, everyday
Everyday am in love with you
Everyday, everyday
Everyday am I in love with you
Every moment I feel like I'm falling in love
Over and over, it's never ending
Every moment I see you it's always the same
Over and over, it's starting again

Everytime I see your face
Sends my senses into space
Everytime I hear your name
Makes me feel so in love that the blood rushes through
my face

Everyday, everyday
Everyday am I in love with you
Everyday, everyday
Everyday am I in love with you
Every moment I feel like I'm falling in love
Over and over, it's never ending
Every moment I see you, it's always the same
Over and over, it's starting again

Everytime I see your face
Sends my senses into space
Everytime I hear your name
Makes me feel so in love that the blood rushes through
my face

Everyday I see your face
Everyday...
Everytime I hear your name

Everytime...

Everyday I see your face

Everyday...

Everytime I hear your name

Everytime...
