Atsui moufu ni kurumattemo
Kimi no ano mukumori koishii
Nido to koi wa shinai nantene
Karada marumeteta hi

Kumo ga kireta RUBY no sora e
Kaze ni sarawareru hanabira
Kirei sugite nakitakunaru yo
Mirai nijinde yuku

Jiyuu ga konna ni mo ima kurushii nante
Machi ni chitte shimai sou na yume nigirishimeteru

Sarara sarara nagarete sarara
Sore ga kimi no sadame naraba
Yasashii tsuyosa nokoshite kureta
Kimi ni mata aitai

Bukiyou na ikikata shika dekinai keredo
Atsui kokoro wa mada sametenai dakara ikiteru

Sarara sarara yurarete sarara
Sorega kimi no yuku michi nara
Kondo aeru basho wa doko darou
Zutto wasurenai yo

Sarara sarara nagarete sarara
Sore ga kimi no sadame naraba
Yasashii tsuyosa nokoshite kureta
Kimi ni mata aitai

Sarara... genki de ite
Mata aeru hi made
