Riding into town  
On the wave of a crowd  
Your Majesty,  
They call him the Leopard Prince

Word is going around  
There's a Groover in town  
Your eminence  
Calling out the Leopard Prince.

I, I've been missing  
All the love you have to share  
It's my premonition  
Now it's plain to see  
That you were meant for me.

Loving isn't physical.

All the money's gone  
But I feel satisfied for once  
And my friends they play dead  
What a crazy world.

Shooting up the town  
He's a fool on the prowl  
Your trajesty,  
They call him the Leopard Prince.

People all around  
Grab a piece of his crown  
Humility  
Unveiling of the Leopard Prince.

I should have listened  
To the words you have to say  
It's my premonition  
That now it's plain to see  
That you were meant for me.

Loving isn't physical.

All the money's gone  
But I feel satisfied for once  
And my friends they play dead  
What a crazy world

The money's gone

The money's gone
