Monday mornin' as I lie awake
A Starman fell from outer space
Evil watchin me, was it all a dream
Hello Boy, you're going insane
One day we will tolerate the pain
I'll be here to entertain
There go all the freaks, they're crowdin' up on the
streets
Paranoid in so many ways

*You're the devil in me, I know man, it's true
I never wanted to be, I'm nobody's fool

**Manhattan Martian
Psycho Kid came down to die and blow us all away
Manhattan Martian oh oh oh
One day we will wake up the same
Then grow old and fade away
Aliens and me linin' up to see
Everybody going insane

*Repeat

**Repeat Twice

He plays a Chrome Guitar
Boy you're gonna be a star
With your guardian angel watching you
There's nothing you can't do

Manhattan Martian
Psycho Kid came down to die and blow us all away
Manhattan Martian
