There is something that I see in the way you look at me
There's a smile, there's a truth in your eyes
What an unexpected way on this unexpected day
Could it be, this is where I belong
It is you I have loved all along

No more mystery, it is finally clear to me
You're the home my heart searched for so long
And it is you I have loved all along

There are times I run to hide
Afraid to show the other side
Alone in the night without you

But now I know just who you are
And I know you hold my heart
Finally this is where I belong
It is you I have loved all along

No more mystery, it is finally clear to me
You're the home my heart searched for so long
And it is you I have loved all along

Oh, over and over I'm filled with emotion
Your love, it rushes through my veins
And I am filled with the sweetest devotion
As I, I look into your perfect face

No more mystery, it is finally clear to me
You're the home my heart searched for so long
And it is you I have loved all along
It is you I have loved
It is you I have loved all along
