Yeah  
Lacrima Madonna  
Take my heart  
Lacrima Madonna  
Speak through your tears  
Yeah yeah  
Though the dream isn't what it seems  
I know your face  
Yeah yeah  
Grace itself  
Lacrima Madonna

Lacrima Madonna  
Sacred spirit of the sun  
In darkness  
Your radiant light is burning  
Lacrima Madonna  
I can't believe my eyes  
You show me the future  
The future is love

Lacrima Madonna  
When I breathe your name  
A thousand angels awake  
And in my heart  
Another voice is crying  
Every time I see you  
The world just fades away  
It's as if you look right through me  
Take my hand and show me the way  
Lacrima Madonna

Lacrima Madonna  
Oh, will you call my name?  
In silence I await  
To see those heavenly eyes  
Through my dreams I see you  
I hear you  
I need you  
It's as if you always knew me  
Take my hand and show me the way

Lacrima Madonna

Yeah, yeah, yeah  
Mesmerize on top of love  
In the heart a dove sings Hallelujah  
This aint' a dream, exactly as it seems  
No flight, no fight  
Can take the sun out of the sky  
Lacrima Madonna  
Blow away the pain  
To a babe in the ocean from the mother rain  
And if the darkness comes to show me the way  
The cloud clears for a brighter day

Everytime I see you  
I hear you  
I need you  
It's as if you always knew me  
Take my hand and show me the way  
And if the darkness closes in  
And the moon keeps fading away  
Will you be there when I am calling  
Take my hand and show me the way  
Lacrima Madonna  
Lacrima Madonna  
Lacrima Madonna

Lacrima Madonna  
Spirit of the sun  
Show me the future  
The future is done  
Everytime I see you, all fades away  
It's as if you look through me  
Show me the way  
Lacrima Madonna  
Blow away the pain  
To a baby in the ocean from the mother rain  
Mesmerize on top of love  
Show me the future  
The future is love  
The future is love  
Lacrima Madonna  
The future is love  
Show me  
The future is love  
I see you  
The future is love
