"Over the rainbow"

Somewhere over the rainbow way up high
There's a land that I've heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do come true.

Someday I'll wish upon a star
And wake up where the clouds are
Far behind me
Where troubles melt like lemon drops
Away, above the chimney tops
That's where you'll find me.

Somewhere over the rainbow bluebirds fly.
Birds fly over the rainbow, why then, oh why can't I?

When all the world is a hopeless jumble
And the raindrops tumble all around
Heaven opens a magic lane.

When all the clouds darken up the skyway
There's a rainbow highway to be found
Leading from your window pane
To a place beyond the sun
Just a step beyond the rain.

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow, why then, oh why can't I?

If happy little bluebirds fly, beyond the rainbow, why oh
why can't I?
