Be brave, little one  
Make a wish for each sad little tear.  
Hold you head up though no one is near,  
Someone's waiting for you.  
Don't cry, little one  
There'll be a smile where a frown used to be.  
You'll be part of the love that you see,  
Someone's waiting for you.

Always keep a little prayer in your pocket  
And you're sure to see the light.  
Soon there'll be joy and happiness  
And your little world will be bright.

Have faith, little one  
'Till your hopes and your wishes come true.  
You must try to be brave, little one,  
Someone's waiting to love you.
