I like to dream
Yes yes, right between the sound machine
On a cloud of sight, I drift in the night
Any place it goes is right

Goes far, flies near, to the stars away from here
You don't know what we could find
Why don't you come with me little girl on a magic
carpet ride?
You don't know what we could see

Why don't you tell your dreams to me?
Fantasy will set you free
Close your eyes girl, look inside girl, let the sound take
you away
Last night I held Aladdin's lamp, so I wished that I could
stay
Before the thing could answer me well someone took,
took the lamp away

I looked around a lousy can was all I found
You don't know what we could find
Why don't you come with me little girl on a magic
carpet ride?
You don't know what we could see

Why don't you tell your dreams to me?
Fantasy will set you free

Close your eyes girl, look inside girl, let the sound take
you away
You don't know what we could find
Why don't you come with me little girl on a magic
carpet ride?
You don't know what we could see

Why don't you tell your dreams to me?
Fantasy will set you free
You don't know what we could find
Why don't you come with me little girl on a magic
carpet ride?
You don't know what we could see

Why don't you tell your dreams to me?
Fantasy will set you free
You don't know what, you don't know what, you don't
know what
