Ah..... ah....We may be big or small or black or white ,  
eternallyAnd black and white is you and me in a special  
lightWe may be young or old or in between ,but this  
much I knowTogether we can learn to growIn a world  
that?s ever turning it?s back on youIf you give it all  
away ,Make it mine ,ine , ine , ine , mineYou are desire  
, ev?rything you needI give you right or wrongAnd you  
are the woman that iBase my whole existence onAnd  
when I get to you myDesire is glowing in your  
lightThese are the golden years we get to liveWe lead  
the way , tomorrow we can start todayIn a special  
lightLove could be good or bad or in betweenBut this  
much I learnBaby , you and I can learnIn a world that?s  
rearranging it?s realityIf you give it all awayMake it  
mine , ine , ine , ine , mineYou are desire , ev?rything  
you needI give you right or wrongAnd you are the  
woman that iBase my whole existence onAnd when I  
get to you myDesire is glowing in your lightAh...And it?s  
nice to light a fireWhen it?s cold outsidelf you give it all  
awayMake it mine , ine , ine , ine , mineYou are desire ,  
ev?rything you needI give you right or wrongAnd you  
are the woman that iBase my whole existence onAnd  
when I get to you myDesire is glowing in your  
light(repeat last 3 lines of last verse and fade out )
