Verse.

It ain't hard, to tell what you are thinking',
It ain't hard to have your opinion or view.
It ain't hard to tell what u want,
It ain't hard to tell what your need.

Ref.

Nothing' can't stop us we have our own process,
We're on our own way and there's nothing' I had.
Nothing' can't stop us we fight with the system,
We're on our own way and there's nothing' I had.

Tell me why there's nothing' I can't do or shout (do or shout),

I can see that your help us when your falling' apart
(falling apart).

We're on our way to see your final thoughts (final thoughts),

I'm not the one, who just kills a one (kills a one).
