Maybe you talk too high, man  
Maybe I talk too slow  
But you've got to live a little bit faster  
'Cause you've got a little less time to go

I ain't lost and I ain't searching  
But then you know me very well  
And I can't change the wind and make it blow the other  
way  
I'm a fool and I can tell

That I'm alive and that's all  
That I can get up just as fast as I fall  
And I can walk and run but I'll never crawl  
And in the end it doesn't matter at all

I don't know about the people that I read about in books  
And the Kings and Queens around my room with their  
quiet dirty looks  
I know I should be going somewhere I just can't arrive  
A reason for believing that I've never been alive, alive

I ain't lost and I ain't searching  
But then you know me very well  
And I can't change the world and make it go the other  
way  
I'm a fool and I can tell

That I'm alive and that's all  
That I can get up just as fast as I fall  
And I can walk and run but I'll never crawl  
And in the end it doesn't matter at all

I don't know about the people that I read about in books  
And the kings and queens around my room with their  
quiet dirty looks  
I know I should be going somewhere I just can't arrive  
A reason for believing that I've never been alive

I know I should be going somewhere I just can't arrive  
A reason for believing that I've never been alive, alive,  
alive
