There are times that I should go away  
To think of you and i  
For it isn't only now ,i need your love  
All of my life , all of my life

In the night time when I lie awake  
And think of you in my heart  
For it isn't only now , I need your love  
All of my life , all of my life

Oh wouldn't you believe me if I told you  
That I love you , and I do  
Ev'ryone believes me when I tell them  
Why don't you , why don't you

When I think of things that ought to be  
And I feel your hand in mine  
Yes it isn't only now , I need your love  
All of my life , all of my life

La.....  
All of my life , all of my life

Oh wouldn't you believe if I told you  
That I love you , and I do  
Ev'ryone believes me when I tell them  
Why don't you , why don't you

When I think of things that ought to be  
And I feel your hand in mine  
Yes it isn't only now , I need your love  
All of my life , all of my life  
All of my life  
All of my life  
All of my life
