When I was just a little boy  
When I didn't know  
My daddy put me on his knee  
And showed me the way to go

He said, "A woman will do her best  
To make a fool out of you  
So be a man and stand the test  
And see what you can do"

I'm glad I am  
Born a man  
I'm glad I am  
Born a man

If you got what it takes, my boy  
You can always choose  
Work it out before it's too late, my boy  
Make sure you never lose

I'm glad I am  
Born a man  
I'm glad I am  
Born a man

Born a man  
Born a man  
Born a man  
Born a man  
Born a man  
Born a man  
Born a man

I am born a man  
I am born a man  
I am born a man  
I am born a man  
I am

You don't believe what I say?

Every woman wants her man

To live and learn on her land  
Where I go, baby you go  
Arrangement, man and wife

I'm glad I am  
Born a man  
I'm glad I am  
Born a man

Born a man  
Born a man  
Born a man
