I must be crazy, they don't know what we've done
You are my lover even though I know it's wrong
I hear them talking but whatever they do
I need to love you and if I love you, couldn't we make it

I got someone loving me, he won't say goodbye
He's been so good to me, I don't wanna make him cry
I need you both to love me, it's up to you
You can help me, you're the reason I can't decide

Breakin' my bones and shakin' my nerves
I just can't see tomorrow
Looking at him and looking at you
And I don't know who to follow
I'll never win in the state I'm in

It's a crime of passion, I'm bad to love you
Whenever I'm with you, I lose control
It's a crime of passion for me and for you
Whatever I give, it's just too late to save my soul

I need to love you, my desperation is the power to go
on
Each night I prayed for love
I'm at the mercy of and if you don't hear me now
Then I'll be the only one
Don't wanna be, don't wanna be the only one

I saw him yesterday, the questions he asked
I think he knows about us, did we move too fast?
How can we hide it when we know it's a lie
Keep our love under the covers, the pressure is too
high

Why do I get myself tied up
Why tangle with love you borrow
I should have been known as a one man woman
Should have been one love but oh no
Never be a cure for the human law

It's a crime of passion, I'm bad to love you
Whenever I'm with you, I lose control

It's a crime of passion for me and for you
Whatever I give you it's just too late to save my soul

I need to love you my desperation is the power to go on
Each night I prayed for love
I'm at the mercy of and if you don't hear me now
Then I'll be the only one
Don't wanna be, don't wanna be the only one

It's a crime of passion to love you
Whenever I'm with you, I lose control, lose control
It's a crime of passion for me and for you
Whatever I give you
