She takes the heart of mine  
She make it beat in time  
In fact she's mine forever  
And I'll never ever know the reason why  
Funny how she writes letters to me  
She's only human but she keeps goin' through me  
We came to love in the neighborhood  
And the love don't cease to grow  
And if you need me darlin'  
I'll be dreamin' on  
Dreamin' on for you baby  
Dreamin' on for you woman-child  
Dreamin' on for you baby

She makes the skies grow dark  
She makes the darkness bright  
She make the wind grow warm in  
The wake of another cold and stormy night  
And anywhere she needs me I'll be runnin' to  
'cause she fits me like a glove  
And tho I'd really like to be with you  
She gave me love when there was no love

And I would not let her go  
So if you need me darlin'  
I'll be dreamin' on  
Dreamin' on for you baby  
Dreamin' on for you woman-child  
Dreamin' on for you baby

(break)

I'll be dreamin' on  
Dreamin' on for you baby  
Dreamin' on for you woman-child  
Dreamin' on for you baby

Ah....

For you baby  
Ah...(fade)
