It's over and done  
But the heartache lives on inside  
And who's the one you're clinging to  
Instead of me tonight?

And where are you now, now that I need you?  
Tears on my pillow wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart

In the words of a broken heart  
It's just emotion that's taken me over  
Caught up in sorrow, lost in my soul  
But if you don't come back  
Come home to me, darling

You know there will be nobody  
Left in this world to hold me tight  
You know there will nobody  
Left in this world to kiss goodnight  
Goodnight, goodnight, goodnight, goodnight

I'm there at your side  
I'm part of all the things you are  
(Ahh)  
But you've got a part of someone else  
You've got to find your shining star

And where are you now, now that I need you?  
Tears on my pillow wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart

In the words of a broken heart  
It's just emotion that's taken me over  
Caught up in sorrow, lost in my soul  
(Baby, I'm lost in your soul)  
But if you don't come back  
Come home to me, darling

Don't you know there'll be nobody  
Left in this world to hold me tight?

Nobody left in this world to kiss goodnight  
Goodnight, goodnight, goodnight, goodnight  
(Ahh)

In the words of a broken heart  
It's just emotion that's taken me over  
Tied up in sorrow, lost in my soul  
But if you don't come back  
Come home to me, darling

You know that there will be nobody  
Left in this world to hold me tight  
(Nobody, nobody)  
Nobody left in this world to kiss goodnight  
(Ahh)
