I stumble in the night
never really knew what it would've been like
you're no longer there to break my fall
The heartache over you
I gave it every thing but I couldn't get through
I never saw the signs
you're the last to know when love is blind

through the tears and the turbulent years
when I would not wait for no one
didn't stop take a look at myself
see me losing you

(Chorus)
when a lonely heart breaks
it's the one that forsakes
it's the dream that we stole
and I'm missing you you more
and the fire that will roar
there's a hole in my soul
for you it's goodbye
for me it's to cry
for whom the bell tolls

hold me

I've seen you in a magazine
a picture at a party where you shouldn't have been
hanging on the arm of someone else

I'm still in love with you
won't you come back to your little boy blue
I've come to feel inside
this precious love was never mine

now I know but a little too late that I could not live without
you
in the dark or the broad daylight
I promise I'll be there

(Chorus)
when a lonely heart breaks

its the one that forsakes
its the dream that we stole
and im missing you more
and the fire that will roar
theres a hole in my soul
for you its goodbye
for me its to cry
for whom the bell tolls

never knew ther'd be times like this
when i couldnt reach out to know one
am i never gonna find someone that knows me like you
do
are you leaving me a helpless child
when it took so long to save me
fight the devil and the deep blue sea
i'll follow you anywhere
i promise i'll be there

(Chorus)
when a lonely heart breaks
its the one that forsakes
its the dream that we stole
and im missing you you more
and the fire that will roar
theres a hole in my soul
for you its goodbye
for me its to cry
for whom the bell tolls

when a lonely heart breaks
its the one that forsakes
its the dream that we stole
and im missing you you more
and the fire that will roar
theres a hole in my soul
for you its goodbye
for me its to cry
for whom the bell tolls

when a lonely heart breaks
its the one that forsakes
its the dream that we stole
and im missing you you more
and the fire that will roar
theres a hole in my soul
