Could there be better things to do
And is it just enough for you?
Stay the night

Got a warmer place to go
And is it love and don't you know
Makes me cry?

Oh baby, on and on
I've been waiting all my life for you
Though you're gone
I continue to believe it's true

Now you say, it's over
Gonna be a heartbeat
Gonna be a love beat
Gonna be a heartbeat

Gonna be a love beat
Gonna be long nights
Gonna be no man's land
Livin' in exile

Gonna be heartbeats
You know love beat
Gonna be heartbeats
You know love beats

Gonna be long nights
Gotta be no man's land
Nothin' but a heartbeat

All the things you want to do
Everything you need to see
I understand
(Oh baby)

Doesn't matter where you go
Leavin' what you need the most
Don't lose this man

And maybe with these eyes

They've seen love come
Through the pain and tears
Losin' you, I have just
Myself to blame it seems

Now you say, it's over
Gonna be a heartbeat
Gonna be a love beat
Gonna be a heartbeat

Gonna be a love beat
Gonna be long nights
Gonna be no man's land
Livin' in exile

Gonna be heartbeats
You know love beat
Gonna be heartbeat
You know love beat

Gonna be long nights
Gotta be no man's land
Nothin' but a heartbeat

Gonna be heartbeats
You know love beat
Gonna be heartbeats
You know love beat

Gonna be long nights
Gotta be no man's land
Nothin' but a heartbeat

Heartbeats
Heartbeats tonight
Heartbeats tonight
