I got to say it and it's hard for me
You got me cryin' like I thought I would never be
Love is believin', but you let me down
How can I love you when you ain't around, and I

Get to the morning and you never call
Love should be everythin' or not at all
And it don't matter whatever you do
I made a life out of lovin' you

Only to find any dream that I follow is dying
I'm crying in the rain
I could be searchin' my world for a love everlasting
I'm feeling no pain, when will we meet again?

And, why do you have to be a heartbreaker?
Is it a lesson that I never knew
Got to get out of the spell that I'm under
My love for you

Why do you have to be a heartbreaker?
When I was bein' what you want me to be
Suddenly everythin' I ever wanted has passed me by
This world may end, not you and I
My love is stronger than the universe
My soul is cryin' for you, it cannot be reversed
You made the rules but you could not see
You made a life out of hurtin' me

Out of my mind
I am held by the power of your love
Tell me when do we try?
Why should we say goodbye?

Why do you have to be a heart, heartbreaker?
Is it a lesson that I never knew
Got to get out of the spell that I'm under
My love for you

Why do you have to be a heartbreaker?
Is it a lesson that I never knew
Got to get out of the spell that I'm under

My love for you, my love, my love

Why do you have to be a heart, heartbreaker?
When I was bein' what you want me to be
Suddenly everythin' I ever wanted has passed me by
My love, my love has passed me by

Why do you have to be a heart, heartbreaker?
Is it a lesson that I never, never knew
