I'm the sun, I'm the falling rain  
I'm the kind of man you can't explain

True love is one thing I've been dreaming of  
I give my love to you and when I do  
You are to me, the very deepest part of me

I am the world  
I am the sky  
I am the sea  
I'm anything that you want me to be

When you hurt me, then I become the night time  
The shadows in my eyes don't make it good for  
Me to see the way I should

I am the world  
I am the sky  
I am the sea  
I'm anything that you want me to be

I'm the sun, I'm the falling rain  
I'm the kind of man that you cant explain

I am the world  
I am the world
