Oh, I , baby what a fool I amFirst a boy and then a man ,
am IAnd you , you're the heart of it all
You're the things I say and doAm I wasting my time ,
hangin' aroundYou would be gone
But I can't help it
Ev'ry moment that I think about youEv'ry day and ev'ry
night without youI can't survive
Love , take away the lonely days gone by
Make it ev'ry day for you and IGivin' me the chance to
go on believin'Girl , you gotta go on believin'(Boy), you
gotta go on believin'
You , baby you're the breath I take
Coming from a heart in love , am IAnd you , you're the
heart of it allYou're the things I say and doAm I wasting
my time , hangin' aroundYou would be gone
But I can't help itEv'ry moment that I think about
youEv'ry day and ev'ry night without youI can't survive
Love , take away the lonely days gone by
Make it ev'ry day for you and IGivin' me the chance to
go on believin'Girl , you gotta go on believin'(Boy) , you
gotta go on believin'
