I walk the lonely streets  
I watch the people passing by  
I used to smile and say hello  
guess I was just a happy guy  
Then you happened, girl  
this feeling that possesses me  
I just can't move myself  
I guess it all just had to be

(chorus)

I can't see nobody  
No I can't see nobody  
Mine eyes can only look at you, you

I used to have a brain  
I used to think of many things  
I watched the falling rain and  
listened to the sweet birds sing  
Don't ask me why, little girl  
I love you and that's all I can say

You're every every breath I take  
You are my nights, my night and day

(chorus)

Every single word you hear  
is coming from this heart of mine  
I never felt like this before  
a love like yours so young and fine  
And now as I try to forget you  
it doesn't work out any way  
I loved you such a long time ago  
but in my eyes you'll always be

Every single word you hear  
is coming from this heart of mine  
I loved you such a long time ago  
don't know why  
And I don't know why, baby

(chorus 2x)
