For so long
You and me been finding
Each other for so long
And the feeling that I feel

For you is more then strong, girl
Take it from me
If you give a little more then you're asking for
Your love will turn the key

Darling mine
I would wait forever for those lips of wine
Build my world around you, darling
This love will shine girl
Watch it and see
If you give a little more then you're asking for
Your love will turn the key

I, I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a
string
Oh, if I stay here without you, darling, I will die
I want you laying in the love I have to bring
I'd do anything to be your everything

Darling for so long
You and me been finding
Each other for so long
And the feeling that I feel

For you is more then strong girl
Take it from me
If you give a little more then you're asking for
Your love will turn the key

I, I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a
string
Oh, if I stay here without you, darling, I will die
I want you laying in the love I have to bring

I'd do anything to be your everything

I, I just want to be your everything

Open up the heaven in your heart and let me be

The things you are to me and not some puppet on a
string

Oh, if I stay here without you, darling, I will die

I want you laying in the love I have to bring

I'd do anything to be your everything
