I started a joke
which started the whole world crying
But I didn't see
that the joke was on me, oh no

I started to cry
which started the whole world laughing
Oh if I'd only seen
that the joke was on me

I looked at the skies
running my hands over my eyes
And I fell out of bed
hurting my head
from things that I'd said

Till I finally died

which started the whole world living
Oh if I'd only seen
that the joke was on me

I looked at the skies
running my hands over my eyes
And I fell out of bed
hurting my head
from things that I'd said

Till I finally died
which started the whole world living
Oh if I'd only seen
that the joke was on me
