This is the life you saved laid out before you  
Everything that I think, I have been and what I am now  
Nothing can change the way I feel about you

Better we go on our separate ways  
Nothing is left but the endless days  
Nothing to cry but your name

Don't you look back, don't say a word  
I will be lonely for you, I will be standing for you  
Don't you despair  
I will be there for you

Farewell to you, goodbye for me  
I will be waiting for you, I will be lonely for you  
Don't you despair  
I will be there for you

Ohh, ohh  
I will be there  
Ohh, ohh  
I will be there

Maybe this time next year, we'll be together  
You can wipe away all of the tears, bring truth to the  
lies  
There was a silent dream, we made a promise  
We'd be there for each other forever

Borne like a ship on the ocean's roar  
Beating a path to your open door  
Nothing will keep me away

Don't you look back, don't say a word  
I will be lonely for you, I will be standing for you  
Don't you despair  
I will be there for you

Each night I pray, to God above  
You will be waiting for me, you will be lonely for me  
Don't you despair  
I will be there for you

Ohh, ohh  
I will be there  
Ohh, ohh  
I will be there

Ohh, ohh  
I will be there  
Ohh, ohh  
I will be there

Ohh, ohh  
I will be
