Maybe it's been so long  
Our house looks kind of different  
But the empty room  
Still means the same to me

And as I wander through the darkness  
I'll keep crying one last tear  
Now your lips are gone  
I'll kiss your memory

I'll kiss your memory  
As though you were here  
I'll hold your memories  
Till you reappear

And as I wander through the darkness  
I'll keep crying one last tear  
Now your lips are gone  
I'll kiss your memory

I'll kiss the thoughts of leaves that fell  
When summer was over  
And I'll cherish all the thoughts  
You gave to me

And I will wander through the darkness  
I'll keep crying one last tear  
Now your lips are gone  
I'll kiss your memory

I'll kiss your memory  
As though you were here  
I'll hold your memories  
Till you reappear

And as I wander through the darkness  
I'll keep crying one last tear  
Now your lips are gone  
I'll kiss your memory

I'll kiss your memory  
As though you were here

I'll hold your memories  
Till you reappear

And as I wander through the darkness  
I'll keep crying one last tear  
Now your lips are gone  
I'll kiss your memory
