With you  
Baby I'm satisfied makin' my love to you  
'Cause you got me hypnotized

And you came to me alone, girl  
I was a heart that's made of stone, girl  
And you broke it into pieces, aah  
And you took me for your own, girl  
I lie beneath your ecstasy  
You can pour it all over me  
Won't break the chains of loving you  
We got everything, anybody needs  
And it's here with me, with you

Baby I'm satisfied makin' my love to you  
(Makin' my love , makin' my love)  
'Cause you got me hypnotized

Before you took me by the hand, girl, ha  
I was a statue in the sand, girl  
I was broken down for reasons, aah  
You could never understand, girl  
I was livin' on desire  
But that was just the way we were  
Till you made a world of love in you  
We got everything, anybody needs  
And it's here with me, with you

Baby I'm satisfied, makin' my love to you  
(Aah)  
'Cause you got me hypnotized  
(Aah)

Anytime you wonder, get yourself back to me, girl  
Any cloud you're under, you got to get yourself free,  
girl  
Aah, aah, baby with you

You're my love and you're my reason that I'm in love  
(Baby I'm satisfied)  
I couldn't even see you walkin'  
I was born makin' my love to you

Open up your golden gate and let me inside  
( 'Cause you got me hypnotized )  
When I see you every morning  
I was born makin' my love to you  
( Baby with you )

You're my love and you're my reason that I'm in love  
( Baby I'm satisfied )  
I couldn't even see you walkin'  
I was born makin' my love to you  
Open up your golden gate and let me inside  
( Oh, satisfied, satisfied )  
( 'Cause you got me hypnotized )  
When I see you every mornin'  
( Oh, you got me to make my happiness with you )  
I was born makin' love with  
You're my love and you're my reason that I'm in love  
( Baby I'm satisfied )
