Jealousy , jealousy
Two o'clock in the morning , I don't see my love around
You say you want to be with me girl
But you're never to be found
I know you're seeing someone else
And it's sending me insane
Jealousy , taking me over and over again
Jealousy , saying you love ,but inside you pretend
You say I go on needlessly
Finding wrong in all I see
But I know in my heart from the start
You wanted to play , yeah
You know I'm so alive with you
Telling love with all you do
I know I'm gonna drive your love away , away
You were my inspiration
You were the answer to my prayer
A lover I could depend on and soften all my cares
I can't believe you're out at night holding someone new
Jealousy , taking me over and over again
Jealousy , saying you love ,but inside you pretend
You say I go on needlessly
Finding wrong in everything I see

But I knew in my heart from the start
That you wanted to play
But you know I'm so alive with you
Telling love with all you do
I know I'm gonna drive your love away , away
Jealousy , jealousy, taking me over and over again
Jealousy , saying you love but inside you pretend
You say I go on needlessly
Finding wrong in all I see
I know in my heart from the start
That you wanted to play
You know I'm so alive with you
Telling love with all you do
I know I'm gonna drive your love away
Jealousy , jealousy taking me over and over again
Jealousy , saying you love but inside you pretend
Jealousy , taking me over and over again
Jealousy , jealousy, taking me over and over

Jealousy, I can't help myself
Taking me over , jealousy , (fade)
