Alright, I don't mind, having fun is my preoccupation  
I don't mind givin' it all away, oh baby  
Alright, the love you had has gone away  
(Alright)  
Alright  
(Alright)

Slow down, you'll live to love another day  
(Alright)  
Alright  
(Alright)

Aha, king of fools, don't live by the golden rules  
Aha, king of fools tonight, tonight

Alright, love is blind and people say that love is an  
illusion  
I don't mind givin it all away , oh baby  
Alright, the love you had has gone away  
(Alright)  
Alright  
(Alright)

Slow down, you'll live to love another day  
(Alright)  
Alright  
(Alright)

Time out for the king of fools  
Step right up for the king of fools  
Aha, king of fools, don't live by the golden rules  
Ah ha, king of fools tonight, tonight

Aha, prince of nights, just lives for the New York lights  
Aha, king of fools tonight, tonight

Aha, king of fools, don't live by the golden rules  
Aha, king of fools tonight, tonight

Aha, prince of nights, just lives for the New York lights  
Aha, king of fools tonight, tonight

Ah ha, king of fools, don't live by the golden rules  
Aha, king of fools tonight, tonight
