Ev'rybody's doin' it ,stompin' australia way

Let's stomp , australia way  
That's what they'll do today  
Let's stomp to the surfin' wave  
Ev'rybody in this here land  
Come on , get yourself some sun  
We're gonna stomp till the night is gone  
Stomp , stomp , stompin' australia way

It all began in sydney town , down avalon way  
Then surf city came along  
Well , you've got to stomp to stay  
The denver man had ,ah-oo, stomp fever  
What more can I say ,ooh  
Ev'rybody's doin' it , stompin' australia way  
Well, well, well

Let's stomp , australia way  
That's what they'll do today  
Let's stomp to the surfin' wave  
Ev'rybody in this here land  
Come on , get yourself some sun  
We're gonna stomp till the night is gone

Stomp, stomp , stompin' australia way

Let's stomp it now (break)  
Ev'rybody's doin' it , stompin' australia way

They're doin' it down in melbourne now  
Stompin' australia way  
In brisbane and the gold coast too  
They stomp all night and day  
In adelaide town it's a gettin' around  
Stomp is here to stay ,yeah  
Ev'rybody's doin' it , stompin' australia way

Let's stomp australia way  
That's what they'll do today  
Let's stomp to the surfin' wave  
Ev'rybody in this here land

Come on , get yourself some sun  
We gonna stomp till the night is gone  
Stomp , stomp , stompin' australia way
