So many lovers, too many nights
Face in the mirror that keeps you alive
So close together, so far apart
I'm so afraid without you

Rain on the river, I'll never cross
Wind on the ocean, the feeling is lost
I still believe that you cry for me
Will I survive without you

Like a fool, I was waiting
Like a fool, for you to come back
Fool, I was standing alone in the rain

Like a fool, I was dreaming
Like a fool, to lose you this way
And now I'm just fooling myself

Hearts go a-beating, love out of time
Streets without pity, I search for a sign
Oh, I keep running into the night
But I'm still lost without you

Too many lovers, too many nights
Face in the window that keeps me alive
So close together, so far apart
Will I survive without you

Like a fool, I was waiting
Like a fool, for you to come back
Like a fool, I was standing alone in the rain

Like a fool, I was dreaming
Like a fool, to lose you this way
Like a fool, I was standing alone in the night

I traveled so far
In the lonely, lonely night
In the lonely and me

Like a fool, I was waiting
Like a fool, for you to come back

Like a fool, I was standing alone in the rain

Like a fool, I was dreaming

Like a fool, to think you would stay

Like a fool, and now I'm just fooling myself
