Lion in my winter  
I'm a lion with no crown

You wanna make me big, man, a star on the screen  
Some kind of James Brown or somethin' in between  
But when I look for money, you smother me in charms  
I can't live on glory when your bendin' both my arms

I, I was a lion in winter  
And man, I had friends for miles around  
I was a lion in my winter  
What good's a lion, Lord, without a crown?

You're living in a cave, man  
Upon your marble throne  
You think you own the heavens  
But you've got to be alone

You know, you know I prayed for sunshine  
A woman with my name  
You don't wanna live, man  
You gave away the game

I, I was a lion in winter  
And man, I had friends for miles around  
I was a lion, a lion in winter  
What good's a lion, Lord, without a crown?

I was a lion, a lion in winter  
But what good's a lion, Lord, without a crown?  
Oh, I was a lion, Lord  
[Incomprehensible]
