Good morning mister sunshine  
You brighten up my day  
Come sit beside me in your way

I see you every morning  
Outside the restaurant  
The music plays so nonchalant

Lonely days, lonely nights  
Where would I be without my woman?  
Lonely days, lonely nights

Where would I be without my woman?

Good morning mister sunshine  
You brighten up my day  
Come sit beside me in your way

Lonely days, lonely nights  
Where would I be without my woman?  
Lonely days, lonely nights  
Where would I be without my woman?
