Nah.....
I can play with you , you can play with me
This can last a life
Cos all you're thinkin' of
Let me making love
You should be my wife

Love you , love you
Baby , that's all that I can do
Love you , love you
That's all that I can ever do

With your heart of stone
You made me alone
Talkin' to my wall
But you came home again
Took my hands and then
Made me grow up tall

Love you , love you
Baby , that's all that I can do
Love you , love you
That's all that I can ever do

I can play with you , if you play with me
This shall last a life
Cos all you're thinkin' of
Let me making love
You should be my wife Nah.....
