Here comes the night again
Nights that ever end
Ain't got no friend to guide me anymore , believe me
I just want your heart
We're two roads apart
To walk on the white sands with you forever more

Mando bay , mando bay , where the happy children
play
Where my heart just longs to stay
I'm going home to mando bay

One more night with you
Paradise on blue
We'll walk on the sand and I'll fall in love with you
You know , my arms are open wide
I can't wait so long
Till I walk on the white sand with you by my side

Mando bay , mando bay , where the happy children
play
Where my heart just longs to stay

I'm going home to mando bay

Here comes the night again
Nights that never end
Ain't got no friend to guide me anymore , believe me
I will be right there
The sunshine in your hair
To walk on the white sands with you forever more

Mando bay , mando bay , where the happy children
play
Where she longs for me to stay
I'm going home to mando bay

Mando bay , mando bay , where the happy children
play
Where she longs for me to stay
I'm going home to mando bay
