Feel I'm goin back to Massachusetts
Somethings telling me I must go home
And the lights all went out in Massachusetts
The day I left her standing on her own

Tried to hitch a ride to San Francisco
Gotta do the things I wanna do
And the lights all went out in Massachusetts
They brought me back to see my way with you
Talk about the life in Massachusetts
Speak about the people I have seen
And the lights all went out in Massachusetts
And Massachusetts is one place I have seen

I will remember Massachusetts
(I will remember Massachusetts)

(repeat to fade)
