Middle of the Night

by Jimmy Buffett, Will Jennings, Art Neville and Michael Utley

Chorus 1:

Middle of the night
Hold on till morning
We will see the light
Love is spawning
Middle of the night
Hold on forever
We will get it right
All together

When will we listen
When will we ever learn
Read all about it
This tide has got to turn

Chorus 1:

Old folks and babys
Crying in the storm
I try to tell them
Soon they'll be safe and warm

Chorus 1:

Bridge:

Lord let us out of this hall full of mirrors
Make it all clearer
Don't let is fall

In the middle of the night

Chorus 2:

Middle of the night
New voices calling
Saying it's alright
I'm not falling
Middle of the night
Halfway till morning
Middle of my life
New days dawning

Chorus 1:

Chorus 2:
