Burning amber.  
I still remember  
all of those little things.  
But I can't feel it so much  
'cause I am so out of touch  
with my heart  
and it won't sing.  
Rusty rainbows.  
That's how the pain goes,  
turning me inside out.  
Well, I come home at night  
and you are out of my sight.  
Yes, I'm dying and there ain't no doubt.  
Well, I'm dying and there's no way out.

(Chorus)  
Well, I try, try, try, try, try  
Mr. Natural (come on baby).  
When I walk in the rain,  
you won't know that I'm crying.  
A smile on my face and I'm trying...  
I'm trying to understand  
that a love that is lost  
can never be found again.  
And you can see me dance,  
I look like a happy man.

Just when I think I'm getting it over,  
an old friend I should see.  
He said he knew you well,  
and, baby, I could tell,  
you know he knew you more than me.  
I went home laughing  
but inside I'm crying.  
We had a special thing.  
You know I love you so much,  
but girl I'm so out of touch  
with my heart  
and it won't sing.  
You know my heart just won't sing.

(Chorus)

Still I try, try, try, try, try.  
Mr. Natural (come on baby) (come on baby)  
Well, I try, try, try, try, try.  
Mr. Natural (come on baby) (come on baby)  
Well, I try, try, try, try, try.  
Mr. Natural (come on baby)...(fade out)
