Lala.....

I got a letter in this town

They're going to pull this old house down

I got a letter in this town

They're going to pull this sad house down

Mother and jack, they went to see the emperor

Mother and jack ,they went to see the emperor

They got no answer

They got no answer

Said he would think-ah , over his drink-ah

About this question on this house of yours

Don't take our house , away from us

Don't take our house , away from us

He made jack's poor hair turn grey

He made jack's poor hair turn grey

I got a letter in this town

They're going to pull this old house down

I got a letter in this town

They're going to see this sad house down

Mother and jack ,they went to see the emperor

Mother and jack ,they went to see the emperor

They got no answer

They got no answer

Said he would think-ah , over his drink-ah

About this question on this house of yours

Don't take our house away from us
