Burning embers, I still remember
All of those little things
But I don't feel it so much 'cause I am so out of touch
With my heart and it won't sing
Rusty rainbows, that's how the pain goes
Turning me inside out
Well, I come home at night and you are out of my sight
Yes, I'm dying and there ain't no doubt
Well, I'm dying and there's no way out

Well, I try, try, try, try, try
Mr. Natural, come on baby
When I walk in the rain you won't know that I'm crying
A smile on my face and I'm trying
I'm trying to understand
That a love that is lost can never be found again
And you see me dance, I look like a happy man

Just when I think I'm getting it over
An old friend I should see
He said he knew you well and baby I could tell
You know, he knew you even more than me
I went home laughing and inside I'm crying
We had a special thing
You know I loved you so much, but girl I'm so out of
touch
With my heart and it won't sing
You know my heart just won't sing

Well, I try, try, try, try, try
Mr. Natural, come on baby
When I walk in the rain you won't know that I'm crying
A smile on my face and I'm trying
I'm trying to understand
That a love that is lost can never be found again
And you can see me dance, I look like a happy man

Still I try, try, try, try, try, try
Mr. Natural, come on baby
Well, I try, try, try, try, try
Mr. Natural, come on baby
Well, I try, try, try, try, try, try

Mr. Natural, come on baby
Well, I try, try, try, try, try
Mr. Natural, come on baby
Well, I try, try, try, try, try
Mr. Natural, come on baby
