Oh, girl, I've known you very well.
I've seen you growing everyday.
I never really looked before
but now you take my breath away.

Suddenly you're in my life,
part of everything I do.
You got me working day and night
just trying to keep a hold on you.

Here in your arms I found my paradise,
my only chance for happiness.
And if I lose you now I think I would die.

Oh, say you'll always be my baby,
we can make it shine,
we can take forever,
just a minute at a time.

More than a woman,
more than a woman to me.
More than a woman,
more than a woman to me.

Oooh
There are stories old and true
of people so in love like you and me.
And I can see myself,
let history repeat itself.

Reflecting how I feel for you,
thinking about those people,
then I know that in a thousand years
I'd fall in love with you again.

This is the only way that we should fly,
this is the only way to go,
and if I lose you I know I would die.

Oh, say you'll always be my baby,
we can make it shine,
we can take forever,

just a minute at a time.

More than a woman,
more than a woman to me.
More than a woman,
more than a woman to me.

Ooooh
More than a woman,
more than a woman to me.
More than a woman,
more than a woman to me...
