Obsessions  
Obsessions  
Obsessions

It happened in the middle of the night  
When I thought I had control  
Didn't want to be the one to fight  
Didn't want to lose my soul  
I was up for somethin' more  
And I thought I'd get it started  
Paralyzed, polarized  
Hung on every word

I'm in love with the child inside  
I don't have a right to follow you  
Or have a license to get closer  
A love that won't be denied  
For you are something like I've never seen  
I'm a man who's heart is cryin'

Just another one of my obsessions  
You don't want to be a special toy  
I never be the one to hurt you  
Every other girl or boy  
Just another little indiscretion  
Another game that you want to try  
You can never be unfaithful  
If you gotta love somebody  
(Aah aah aah )

Wanna make your mountains high  
Wanna take your valley low  
There's a moral to my story  
Let me in and close the door  
Until the mornin' light  
What I'd give to live inside you  
Make me wait, we separate  
But only to return

Whisper and I'll be there  
I don't want you beggin' me to stop  
I just want to drown in your desire

Love is for those who dare  
All the cream is risin' to the top  
And it's the love you save from dyin'  
(Aah)

Just another one my obsessions  
(Aah)  
Something I could never find  
(Aah)  
It's the kind of love that makes your heart  
Feel obsessed with mine  
(Obsessed with mine)  
Any battle for the one possession  
(Aah)  
Another game that you want to try  
(Aah)  
You can never be unfaithful  
If you gotta love somebody  
(Aah aah aah aah)  
(Aah aah)  
(Aah)

[incomprehensible] never have  
For the guy you tried, tried

Just another one of my obsessions  
(Aah)  
You don't want to be a special toy  
(Aah)  
I never be the one to hurt you  
(Hey)  
Every other girl or boy  
(Girl or boy)  
Just another little indiscretion  
(Hey)  
Another game that you want to try  
(Aah)  
You can never be unfaithful  
If you gotta love somebody  
(Aah aah aah aah)  
(Hey)  
Tell me you friend  
(Aah aah)  
Tell me, tell me  
Tell me you baby

Just another one my obsessions  
(Aah)  
Something I could never find  
(Aah)  
It's the kind of love that makes your heart

Feel obsessed with mine  
(Baby with mine)  
Any battle for the one possession  
(Hey)  
Another game that you want to try  
(Aah)  
You can never be unfaithful  
(Can't have myself)  
If you gotta love somebody  
(I can't have myself)

Just another one my obsessions  
(You my girl)  
You don't want to be a special toy  
(You my girl)  
I never be the one to hurt you  
(You're everything)  
Every other girl or boy  
(Gotta have, gotta have)  
Just another little indiscretion  
(Gotta have)  
Another game that you want to try  
(Aah)  
You can never be unfaithful  
(Aah)
