Na na na na na na na na

Paper mache and telegraph poles

Things go dead in the night

Make enough noise to make enough noise

To make you want to jump with fright

Elephant's tusks and autograph books ,people you  
don't meet

Haven't got a bed to lay my head , shoes to fit my feet

Don't be scared

You're better off then nothing

You're answering to no one

Paper mache

Paper mache and telegraph poles

Thing go dead in the night

Make enough noise to make enough noise

To make you want to jump with fright

Elephant's tusks and autograph books, people you  
don't meet

Haven't got a bed to lay my head, shoes to fit my feet

Don't be scared

You're better off then nothing

You're answering to no one

Paper mache

All of a sudden it happened

When you did what you said you'd do

And you broke my heart in two

Like paper mache

All of a sudden it happened, oh...

You came into my life

Like paper mache you broke my heart

Like paper mache, paper mache

Like paper mache

Paper mache and telegraph poles

Things go dead in the night

Make enough noise to make enough noise

To make you wanna jump with fright

Elephant's tusks and autograph books

People you don't meet

La la la la la la la la la la la la la la

Jimmy had a bomb and the bomb went bang

Jimmy was everywhere

Jimmy had a bomb and the bomb went bang

Jimmy was everywhere

(repeat last two lines and fade out)
