Paper mache and telegraph poles things go dead in
the night

Make enough noise to make enough noise
Makes you want to jump with fright

Elephant's tusks and autograph books, people you
don't meet
Haven't got a bed to lay my head, shoes to fit my feet

Don't be scared, you're better off than nothing
You're answering to no one, paper mache

Paper mache and telegraph poles, thing go dead in the
night
Make enough noise to make enough noise
To make you want to jump with fright

Elephant's tusks and autograph books, people you
don't meet
Haven't got a bed to lay my head, shoes to fit my feet

Don't be scared, you're better off than nothing
You're answering to no one, paper mache

All of a sudden it happened
When you did what you said you'd do
And you broke my heart in two, like paper mache

All of a sudden it happened, oh, you came into my life
Like paper mache you broke my heart
Like paper mache, paper mache, like paper mache

Paper mache and telegraph poles, things go dead in
the night
Make enough noise to make enough noise
Makes you wanna jump with fright

Elephant's tusks and autograph books, people you
don't meet
