Maybe you don't know me
Anymore than I know you
And I wouldn't blame you if
You walked away

With the teardrops in your eyes
And it touches me much more
Than I can say

You know I'd hate to think that someone
Could have hurt someone like you
And if I was him
I'd be right by your side

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me awhile

Lay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me awhile

Saw you in the corner
On the moment I walked in
Saw your lonely face
Across the room

No, I won't forget it
And the way it might have been
Why did you have to leave
So soon

You know I'd hate to think that someone
Could have loved you more than me
And at times like this
I'd be right by your side

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me awhile

Lay your troubles on my shoulders

Put your worries in my pocket
Rest your love on me awhile

How long must I wait
For the last train to be here?
And the last chance to know
Get to think that I was born too soon

How long, honey
When the loving don't come?
I was there when you left me
Just didn't know how to begin

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me awhile

Lay your troubles on my shoulders
Put your worries in my pocket
Rest your love on me awhile
