It wasn't what you said  
It's knowin' what you mean  
You wanna spread your wings and fly  
Where the moment takes you off  
Tryin' hard to be , someone you ain't

It wasn't how you laughed  
That taught me how to cry  
Convincin' me your heart is  
A million dreams away  
Tryin' hard to be , someone you ain't

You came along when I was down  
And found a place within me  
All the love I ever had can not  
Replace the things you did  
I'm still in love with you and  
Even though you're gone  
I gotta try , gotta try ,  
Gotta try , gotta try

Someday I'm gonna win  
And get back to your arms  
And here am I alone  
With a memory of you  
Tryin' hard to be , someone I ain't

We held it in , we gave it out

There wasn't any quarter  
All the pieces fell apart  
It still ain't like it ought to be  
I'm still in love with you  
Even though you're gone  
I gotta try , gotta try ,  
Gotta try , gotta try

You came along when I was down  
And found a place within me  
All the love I ever had can not  
Replace the things you did  
I'm still in love with you

Even though you're gone  
I gotta try , gotta try  
Gotta try , gotta try

We held it in , we gave it out  
There wasn't any quarter  
All the pieces fell apart  
It still ain't like it ought to be  
I'm still in love with you  
Even though you're gone  
I gotta try , gotta try ,  
Gotta try , gotta try (fade out)
