

Bee Gees "Swan Song"

This is my swan song, whatever I do now, I do it well
This is my swan song, I fell in love with you, I love you
well
And if the Lord provides the music for the world around
to sing
My love will build a castle in the air

This is my last chance, a chance to show the world that
I am strong
This is my last dance, I'm walking off the floor where I
belong

And if the Lord provides the music for the world around
to sing
My love will build a castle in the air

And if the Lord provides the music for the world around
to sing
My love will build a castle in the air
This is my swan song, I fell in love with you, I love you
well
I love you well, I love you well
